NO TIME LIMITS FOR PLAYOFFS

***** To determine the Home team during pool play the umpire will flip a coin. For playoffs the higher seed will be the home team.**

- 1. Universal batting order is optional. Each team will be able to match rosters. The minimum number of batters will be determined by the team with the fewest players present at the time of the game. For ex., Team 1 has 11 players – Team 2 has 14. The minimum number of batters in both lineups will be 11. NOTE: you can have a universal batting order.**
- 2. If a child must leave, please inform the other manager in advance- this empty spot in the batting order will not constitute an out; if the child returns, the child returns to his/her spot in the order; if a child comes late, he/she gets added to the end of the batting order.**
- 3. Unlimited substitution except pitchers (there is a 1 inning minimum that a child must play in the field & each player must bat once).**
- 4. STEALING OF ALL BASES. DELAYED STEALS ALLOWED. You may only leave the base when the ball crosses the plate. If the umpire calls that you left the base early, the first time is a warning and the next time you are out. Each team gets one warning.**
- 5. No pinch runners except if the catcher is on base with 1 or 2 outs, you must use a pinch runner to keep the game moving, the pinch runner must be the last batted out.**
- 6. Tied games must be played to completion if time permits (meaning extra innings, if necessary); 12-run rule is in effect after the game is official (which means losing team must bat 4 times) - must play full inning if home team is behind.**
- 7. No on-deck batters (that is, only the child up at bat may have a bat in his/her hand, umpires will give one warning and then charge the team an out for the next occurrence).**
- 8. INFIELD FLY IS IN EFFECT**
- 9. Adults ONLY MAY COACH BASES.**
